creating and delivering an effective presentation utilizing visual aids and strong delivery methods with a mind towards understanding the audience. Participants practice presentations during the entire course.

Presenter should be taken by all members who want to expand their presentation skills in order to make better project reports and intervene during chapter meetings.

Course Details Program Participants **Evaluation**

Step 1: Terms & Conditions

d. Each question has a time limit from 30 to 90 seconds. The timer starts counting when the question shows on the screen. You can see the timer on screen.

e. When you finish answering the question, you must click NEXT QUESTION before the end of the time limit. If not, the next question will show and your selection or no answer will be saved.

f. Once an answer is saved it is final. You will not be able to return to review saved answers.

g. At the end of the evaluation, you will see the result on your screen.

Thank you!

I accept the terms and conditions

Evaluation

Step 1: Terms & Conditions

Before you start the evaluation and knowledge test, please read carefully the following instructions and accept the rules of the test:

1. Trainer Evaluation: This part refers to the trainer's performance. Please answer each question as accurate as possible. Your evaluation will serve two major purposes: First, it will help the trainer to understand the areas where improvement is needed and second, it will provide JCI with information about the quality of training delivered.
2. Knowledge Test: This part refers to the amount of knowledge acquired during the course and can apply in the development of your Local Organization activities and administration.
3. Deadline: The evaluation will be available online for
